1,800
MEMBERS

OUR MEMBERS SUPPLY
85%
OF HIRED PLANT TO THE
CONSTRUCTION INDUSTRY

THE SECTOR INVESTS
£1.3 BILLION
IN NEW EQUIPMENT
EACH YEAR

WHAT YOU NEED TO KNOW

What is the CPA Conference?

The CPA Conference is a one-day event organised by the Construction Plant-hire Association (CPA), the leading trade association for the plant-hire sector in the UK. The CPA has over 1,800 members who supply 85% of hired plant to the construction industry. The sector invests £1.3 billion in new equipment each year. The event forms the principal point of discussion for construction plant issues in the UK.

The Construction Plant-hire Industry Sector and the CPA

The UK plant-hire industry is the most well established and professional in the world, worth over £5 billion to the UK economy. The CPA is the UK's principal point of contact for all issues relating to the use of construction plant, working with government departments and agencies, local authorities, clients, construction and civil engineering contractors, other trade associations and third sector organisations. It frequently leads the debate and sets the standards for the sector.

When is the CPA Conference 2022 Being Held?

The CPA Conference is being hosted on **Thursday 20th October 2022**. This will be the seventh year that the CPA Conference has been held and it is rapidly becoming an essential entry in the calendar for senior figures in the plant-hire industry.

Where is the CPA Conference 2022 Being Held?

The CPA Conference 2022 is being hosted at the Heart of England Conference and Events Centre, between Birmingham and Coventry and close to the motorway network, main line rail and Birmingham International Airport. The 2021 CPA Conference was held at the same venue, proving very successful with a large amount of indoor and outdoor exhibition space. Further information on the venue is available at www.heartofengland.co.uk

Pre-Conference Networking Dinner

The evening before the Conference (Wednesday 19th October 2022) we will be hosting a Pre-Conference Networking Dinner a short distance from the Conference venue at the Best Western Meriden Plus Manor Hotel in Meriden. Key members of the CPA Council are planning to be in attendance, plus the CPA team organising the Conference. We will also be inviting senior figures from across the plant-hire industry, as well as the conference speakers who will be speaking at the event the following day.

Each exhibiting company will be cordially invited to attend the Pre-Conference Networking Dinner where a three course dinner will be served. It will give exhibitors the chance to network with fellow exhibitors and key figures from across the industry. Please note there is no obligation to attend the dinner, but two spaces will be available for each exhibiting company.

What is the format of the CPA Conference 2022?

The CPA Conference 2022 will bring together a number of speakers talking about how Environmental, Social and Governance benefits construction plant businesses. The CPA Conference 2021 comprised a series of panel speakers and the 2022 event will combine keynote speeches with panel debates and interactive discussion. Previous speakers have included representatives from clients such as HS2 and Highways England, contractors such as Skanska and Laing O'Rourke, major plant hire companies, other bodies such as the Health & Safety Executive (HSE) and senior civil servants such as Fergus Harradence from the Department for Business, Energy and Industrial Strategy (BEIS).

THURSDAY 20TH OCTOBER 2022

Heart of England Conference and Events Centre, Fillongley, Coventry CV7 8DX

**The theme of the CPA Conference 2022 will be
'ESG - Driving Change: How Environmental, Social &
Governance Benefits Construction Plant Businesses'.**

The CPA Conference addresses the issues that really matter in our sector. At last year's Conference, we explored net zero carbon and digitalisation, and this year's theme allows us to explore exactly what ESG is, how it is increasingly impacting on our sector and how different organisations are addressing it. To compete and grow in the future, organisations must be aligned with the ESG agenda in order to gain contracts and meet obligations to wider society.

We're currently in the process of devising a packed and highly topical agenda that will combine keynote speeches with panel debates and interactive discussion, and it will be designed to allow delegates to come away with better insight about ESG and what it means for businesses.

Merryn Myatt will once again be hosting the CPA Conference. Merryn is a former television presenter, newsreader and journalist who previously worked with the BBC, ITV and Channel 4.

WHAT YOU NEED TO KNOW

Who Attends the CPA Conference?

Around 150 senior figures from across the industry typically attend the event. In previous years, there has been excellent representation from many of the major construction companies, national plant hirers and smaller operators. Attendees have included senior figures from the likes of Sunbelt Rentals, BAM Nuttall, JCB, Speedy Hire, VolkerFitzpatrick and Wates Group.

Who Should Exhibit at/Sponsor the CPA Conference?

If you are a manufacturer or service supplier and you are looking to target the construction plant industry, the Conference presents an ideal opportunity to promote your products and services to this vitally important market, including some of the UK's biggest plant hire companies.

If you are a plant hirer, this event allows you to significantly raise your profile across the sector and puts you in front of some of the largest construction companies in the UK.

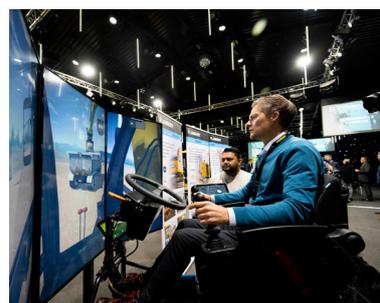

You have the opportunity to get your name in front of some of the most senior figures in the industry. Previous exhibitors/sponsors include **Sunbelt Rentals, Datatag, GenQuip, JCB, Point of Rental Software, MHM Plant, Capja, Manitowoc, L Lynch Plant Hire & Haulage, GGR Group, Flannery Plant Hire, NOCN Group, Scottish Qualifications Authority (SQA), Select Plant Hire, Plant Planet, Thwaites and Towergate Insurance.**

This is a highly targeted event and we restrict the exhibition/ sponsorship opportunities to around 15 organisations in the main Conference room, available on a first come, first served basis. Exhibitors/sponsors have exhibition space leading up to the area where the conference is held, with opportunities for exhibitors to mingle and interact with delegates throughout the day. There are also opportunities to exhibit larger equipment outside.

More Exposure for Exhibitors and Sponsors

At the CPA Conference 2022, we will have a dedicated 30 minute section before lunch where host Merryn Myatt will interview exhibitors to find out what is on their stands and what ESG means to them as an organisation.

There are a range of packages available, including the premium 'Diamond Package', as detailed on page 7.

SPONSORSHIP AND EXHIBITION PACKAGES

PLEASE NOTE THAT CPA MEMBERS WILL RECEIVE A 15% DISCOUNT ON THE PRICES QUOTED FOR ALL PACKAGES.

If non CPA members are interested in booking an exhibition package for the CPA Conference, and also becoming a CPA member, the organisation concerned will be eligible for the 15% discount once CPA membership is confirmed.
